L. G. Rockwell Newly Chosen Associate Prof.

Holds Williams Post; Will Become Head Of Hill Poli Sci Dept.

Landon G. Rockwell has been named Associate Profesor of Political Science and Chairman of the Department, President Robert W. McEween announced this week. Mr. Rockwell replaces Professor W. Hardy Wickwar, who resigned from the department last fall after a year's leave of absence.

The new chairman of the Department received his A. B. from Dartmouth and his M. A. and Ph. D. from Princeton, where he studied under Edward S. Corwin, well-known authority on the Supreme Court and questions of Constitutional Law.

Managed Dartmouth O. C.

Professor Rockwell served a one year term as manager of the Dartmouth Outing Club after graduation from the New Hampshire college, and then was on the faculty of the University of Cincinnati for two years.

Joining the Navy during the war, he served eighteen months on sea duty, and was then transferred to the Bureau of Naval Personnel, with the rank of Lieutenant Senior Grade.

Now at Williams

Upon being discharged from the service, he took his present position as Assistant Professor of Political Science at Williams College. He is also acting as Faculty Advisor to a group of students, chairman of the Faculty Advisory Committee on the Outing Club, and Vice-President of the Faculty Club at Williams.

Married with two children, Professor Rockwell's particular fields of interest include Political Theory, American Constitutional Law and Development, and American Political Thought. A collaborator on a new textbook in Introduction to American Government, he is also the author of several magazine articles. He is a member of Phi Gamma Delta.

Chapel Board Plans For Camp, Seminar

The report of Rog Gillespie, Chairman of the Summer Camp Committee, and Si Keehn, Home Seminar Chairman, featured the regular monthly meeting of the Chapel Board last Thursday.

Gillespie announced to the group that the cooperation of the Utica Community Chest had been secured in the planning of the Summer Camp, money for which was raised in the Campus Fund Drive.

The camp, which will be under the direction of J. Franklin Hunt, will begin June 24 and run until June 30. Twenty boys from ten to twelve years

Stanley Gilbert Buried On Hill On March 20

Funeral services for Stanley E. Gilbert, Hamilton '07 and Trustee of the College since 1933, were held in the Chapel Monday morning. Burial was in the Hamilton College Cemetery.

Mr. Gilbert was vice-president of the Savings Bank of Utica, where he was known as an authority and consultant on construction standards and housing finance. He had served with the bank as vice-president since 1932, and was a Trustee from 1926 until his death.

While in college, Mr. Gilbert was active in undergraduate affairs, and won the Pruyn prize oration. Following graduation he was with the Metropolitan Railways Company until 1912, when he returned to Utica for

DT's And Juniors To Present April Dance And Revue

The Sophomore honor society and the Junior class will sponsor a tea dance in the afternoon and a variety show, in the evening on April 15, Jack Banks, President of D.T., announced this week.

Stating that dates will be provided from either Wells or Skidmore for those who want them, Banks expressed the hope that as many students as possible would attend the joint affair, at the cost of only one dollar.

Gallie Crump, director of the Variety Show, reported that skits were already in progress for the production, and that rehearsals would begin immediately after vacation. Al McClatchy and Len Kingsley are in charge of music for the show which will be put on by members of the Class of '51.

Presidents Elected In Three Houses

Two new members were elected Fraternity Presidents, and hence members of the Interfraternity Council, at meetings held Tuesday night. The two are Jake Heinig, of ELS and Harry Thornton of DKE. Ed Long, of TKE, who was elected last week, will also join the Council after vacation.

Also named to high offices at ELS were George Van Buskirk, Vice-President; and Bob Stern, social chairman. Joe Hull was re-elected Secretary.

The Dekes elected Ed Washburn, Vice-President, Bob Milkey, Rushing Chairman, and

All students interested in being considered for the McKinney Prize Debate, to be held on April 21, should sign the notice on the bulletin board in Root Hall. A foundation of $1,500 provides the prize for the winner.

The final installments on the Campus Fund pledges are due by midnight, April 13.

Due to the Spring recess which starts tomorrow at noon and ends Tuesday, April 4 at 8:30 a.m., the next issue of The Spectator will not come out until April 16.

Debaters Add To Impressive Victory Total

On their tour to Pennsylvania and Washington, two Hamilton debate teams won seven of eight contests last weekend.

The affirmative team of Addie Keeler and Bill Schwarz were undefeated on their trip to Washington, besting Navy, Catholic University, American University, and George Washington University.

Connie Ring and Bill Wehmeyer, debating the negative of the question: Resolved, that the United States should nationalize all basic industries, managed to win three of four, defeating Penn, Temple, and Swarthmore.

During the coming recess, Hamilton will again play host to the National High School Forensic League. The program, which will include contests both

Class Elections To Take Place After Vacation

System Of Petitions In Picking Nominees Considered Success

The elections of class presidents for the academic year of 1950-51 will be held in the Wednesday, April 5, all-College assembly.

The petition system of nominations, adopted by the student body last month, has proved quite successful in its first usage in class elections on the Hill. The most nominations in any one class was four, whereas in former years a large and often superfluous number of candidates for the presidencies usually resulted from the old method of nominations from the floor.

Juniors Name Three

Next year's senior class president will be chosen from among Jim Brown, Gallie Crump, and Bill Luers.

The Class of 1952 will elect its leader from the following candidates: Si Keehn, Ric Miller, Ted Mullett, and Rog Wood, the incumbent.

The freshman class has nominated Bill Carmen, Don Grant, Bud Menges, Irv Reid for president of next year's sophomore class.

Balloting in Assembly

Voting will take place in the Chapel after the members of the junior, sophomore, and freshman classes present at the meeting have been given ballots for their respective classes only. If none of the candidates receives a majority on the first ballot, a run-off vote between the two with the most votes will be taken that same evening at a class meeting. Election of the remainder of class officers will also be held at class meetings Wednesday evening.

Proposals for methods of electing next year's freshman officers were discussed at the Student Council meeting of March 20. The petition system and prolonging the elections until shortly before Thanksgiving recess were among the suggestions.

Prof. John Eells Speaks April 12th

It has been announced that Professor John Shepard Eells, Jr., of Beloit College, Wisconson, will speak at the College April 12th.

Professor Eells is the direct descendant of Samuel Eells, founder of Alpha Delta Phi fraternity. At present he is chairman of the literature department of Beloit College, a position he has held since 1945.

Yale Graduate

Eells received his B. A. from Yale in 1928 and his M. A. from the University of California in 1939. Stanford University granted him its degree of Bachelor of Laws in 1931, and in 1943 he received a Ph. D. from the University of California.

Johnston Stars in "Heart Throbs of Homer" As Faculty Members Mug for Senior Class

By Greg Drummond

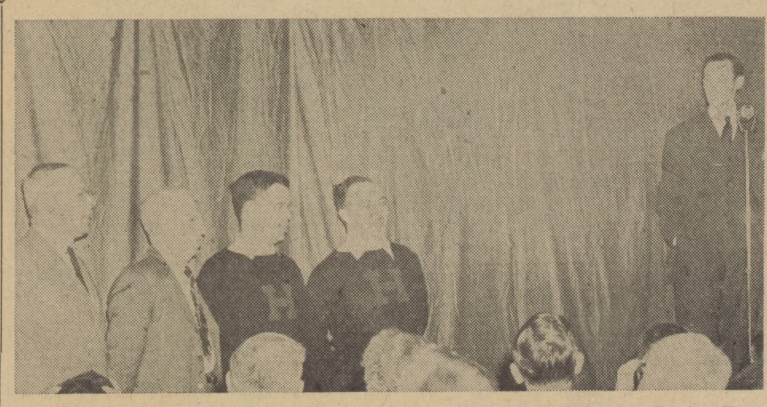
The many-sided genius of Professor Thomas M. Johnston made its annual appearance on Saturday night, as the Faculty presented the musical comedy, "Heart Throbs of Homer," authored by and starring Mr. Johnston, at the annual party for the Seniors, given by President Robert W. McEwen.

Termed by Professor Nelson C. Dale "one of the best productions ever put on by the faculty," the skit took the form of a radio serial and depicted the first few weeks of Freshman Hormer Jerkins (brilliantly portrayed by Mr. Robert Carson) at the "College of the cultured few," Hamilton.

The comedy satirized nearly every facet of Hamilton including the new scholarship policy, the athletic situation, the band, school spirit, fraternities, the Continentals, and the Spectator.

Outstanding in the cast besides Carson, were Johnston as the announcer, and Mr. Philip Oxley, as Laverne LaRue, Homer's girl friend.

Professor John Gambs, Mr. Frank Piano, and Mr. Howard Williams were excellent as Professor Z, a student bubbling over with college spirit a la Jimmy Durante, and Birdie Gorton, head of the Block H Club, respectively.



The faculty quartet harmonizes at Senior Party. L to R: Profs. Hunt, Graves, Ellis and Liedke. Prof. Johnston is the announcer.

"Rah Rah Culture," sung by the quintet of Professors Ellis, Graves, Hunt, Leidke, and Johnston, "I'm Just a Normal Teen-Aged Boy," warbled by Carson, "The Great Books," by Mr. Oxley, and the Alma Mater, rendered also by the quintet, were the features of the music, arranged by Mrs. Boyd C. Patterson with lyrics by Mr. Johnston.

After the show, which was ably produced by Professor Robert Barnes Rudd with costumes and properties in the very capable hands of Mrs. Thomas B. Rudd, members of the cast and audience were served refreshments in the Hall of Commons.

● You're Hamilton's Representative

During the Spring vacation, most Hamilton students will have occasion to talk about College with high school friends who might be considering coming to Hamilton next year, or the year after.

It is vitally important that we transmit a favorable impression of Hamilton to this group. They are the boys on whom the future position of Hamilton as an outstanding educational institution depends.

The Block H Club has impressed upon the student body the selling job which can be performed with a little conscious effort. However, this effort should not be directed only toward athletes, nor even primarily toward athletes. Hamilton's reputation can never be based on its athletic prowess. It must rest, as it now does, on its ability to produce men of character, men of intelligence, and men willing and able to assume positions of responsibility, in both private and public life.

We are competing for this type of boy, with the finest colleges and universities in this country. Most of these schools have as much, if not more, to offer these boys, particularly in scholarship assistance.

It is for this reason that we must first emphasize the positive advantages which a small college has to offer in comparison with the larger Universities like Harvard, Cornell, and Chicago —and we want to compete with these institutions. Thus we must reiterate those facets of Hamilton which make us particularly attractive among the smaller colleges.

Don't go home and complain because one or two courses require extensive outside reading, or are, in general, difficult. Be proud of the fact that Hamilton demands a sincere effort on the part of its students!

Don't criticize one or two members of the faculty. In general, we have very fine Professors, and to keep them, we must have an outstanding student body. That is Hamilton's chief attraction for these men, not the salaries which we pay, for other Colleges pay more.

Don't bewail our poor record in intercollegiate athletics. The record is poor for two reasons. First, we are a very small college, one of the smallest; and second, we do not pay premiums to boys whose *sole* gift is the ability to play left halfback on the football team, or goalie on the hockey team.

And not surprisingly, it is for these very reasons that Hamilton has a reputation as one of the best Colleges in the country. Let's help to keep that reputation!

Shuster Stresses Better Controlled Movies And TV

By Don Webster

Dr. George N. Schuster, President of New York City's Hunter College and one of America's leading Catholic laymen and authors, declared at last Sunday evening's Chapel Convocation that the motion pictures, television and modern picture magazines desperately need some religious and intellectual control exercised over them in order to prevent their becoming mere instruments of propaganda and profit.

Television Deteriorating

To illustrate the deteriorating effect of televion on American minds, Dr. Shuster said that, "The children whose parents own television sets spend twice the time watching television as they spend on getting an education."

As a consultant to the Economic Co-operation Administration's commission to chose movies for Austria and Germany, Dr. Shuster said he saw many hundreds of pictures over an eight week period, many of which were unconvincing, sloppily produced and unintelligent.

Need Creative Minds

To realize a better life from the opportunities we have, Dr. Shuster advised that we cultivate more cultured and creative minds which can move into the field of television anl movie production in the future and work to increase their cultural value. He also said we can get better quality movies and television programs by demanding them, and then supporting them when we get them.

In 1908 he married Laura Gordon Root, daughter of Oren Root of College Hill. Mrs. Gilbert died in 1941.

He was a Trustee of the First Presbyterian Church of Utica, in addition to his position on the boards of the bank and the College. He was a member of the Rotary and Fort Schuyler Clubs of Utica, and Chi Psi.

Mr. Gilbert is survived by two daughters, Mrs. James Dorow and Mrs. Robert Tupper, and one son, Stanley E. Gilbert, Jr.

Along the Sidelines

By Jack Banks

This being the season for Academy Awards, all-American basketball team selections, and what have you, this department would like to award a few mythical "Oscars" of its own. Our selections were based on performances during this past winter athletic season, and we hope that they agree with yours.

First off are our all-opponent teams.

Basketball		Hockey	
Larry Hutnick, Trinity	F	Chuck Prosser, Clarkson	G
Jim Chalmers, Buffalo	F	Al Crowfoot, McMaster	D
Al Kuhn, Buffalo	C	John Mills, Princeton	D
Ray Doody, Wagner	G	Don Smith, Colgate	C
Neill Alexander, Rochester	G	Tom Crawford, Victoria	W
		Bill Hawkrigg, McMaster	W

For "Mr. Hard Luck of 1950" our vote goes to Swimming Coach Pete Dugan. If Coach Dugan's brilliant trio of freshman stars of the 1949 campaign, Bruce Campbell, Dick Tomlinson, and Pete Wood, hadn't deserted him, Hamilton probably would have had its best swimming team in history this season. And to show that Mr. Dugan's misfortunes are not limited merely to swimming, Fred Schmidt, Hamilton discus and shot put record holder and star of Dugan's track team last year, left school in the fall with two beautiful years of eligibility going to waste.

Best individual performance for Hamilton: Hockey—Jerry Steiner's 42 saves in the first game against Colgate. Swimming—Charlie Bates' last several showings. Bates is a freshman whose determination and hard work brought him into prominence as Hamilton's number one distance swimmer. Basketball—Ted Mullett's driving play in the Continentals' first win of the season against Hobart.

Best games of the season: Hockey—Hamilton's splendid victory over Clarkson, 4-3. Swimming—The thrilling Brooklyn Poly meet, which was not decided until the last lap of the last event—with the visitors coming out on top. Basketball—The Buff and Blue's excellent showing against powerful Trinity.

Biggest disappointments: Hockey—Hamilton's defeat at the hands of R. P. I., the same team the Battmen had trounced, 9-1, earlier in the season. Swimming—The illnesses and injuries which plagued the natators all season. Basketball—Bill Tank's inconsistency, after a fine season in '49.

Hardest shot of the season: FreshmanTony DuBourg's backhand smash in squash two weeks ago. DuBourg's shot, however, missed the ball, caught Greg Batt in the mouth instead, and cost the popular hockey-baseball coach two front teeth.

Egner Tallies 16 In 39-29 Game

By John Bailey

Racing to a third-quarter bulge of 19 points, Alpha Delta Phi choked off a last ditch Psi U rally to down the defending champions, 39-29, Monday night, and grab the 1950 interfraternity basketball title.

Holding a 10-point halftime lead, the victors poured on the coal to lengthen the gap to 19 with eight minutes remaining. At this point a determined Psi U quintet rang up a rapid-fire string of 13 counters, but an effective freeze in the last three minutes insured the ADP win.

Key man in the title bout was big John Egner, who tossed in sixteen points for top scoring honors and who combined efforts with Dick Smalley to dominate control of the boards.

Henry Stars

Freshman Fred Henry was the lone Psi U to break through the defensive blanket, as he flipped in fifteen points from underneath and kept the game from hitting the runaway stage.

The Alpha Delt drive really opened up in the second half, jumping the score to 33-14 with eight minutes left before momentarily running out of gas. Then Psi U put on a sizzling Cate-Henry 12-point spree to pull up to 33-26 with three and-a-half minutes to go. Here a smoothly-executed stall, lasting a full 90 seconds, combined with a last-minute flurry of ADP buckets to put the game out of reach.

Hamilton will meet St. Lawrence's football team April 22 on Steuben Field in a spring practice game, Coach Don Jones announced at an organizational meeting of the gridders Thursday afternoon. About 30 players attended yesterday's session and were told by Jones that workouts would begin on April 4.

17 Players Listed For Baseball Trip

Seventeen players have been listed to make the five-game Southern trip of the Hamilton College baseball squad. The first game is March 28 against Roanoke College in Virginia.

Tony Sleggs, a left-hander, who will probably be the first game nominee heads the list of five pitchers including Bill Galvin, Steve Graves, Dick Grimley and Jan Conant.

The catching duties will be shared by Harry Doyle and freshman Don Grant.

The starting infield at present seems to have Bud Griffiths at first, Dave Porter at second, Roger Wood at shortstop, and Al Persons at the hot corner. This infield will be bolstered by Dick Murray, Bob Abrams, and Harry Babcock, who may also do some pitching.

The starting outfield appears set with Captain Jerry Steiner in center field, flanked, by Dick Norcross and Marty Fribush.

LXA '6' Tripped In Playoff Match

Paced by Gerry Mass' two hockey team defeated Lambda goals, a hard skating Sigma Phi Chi, 4-2, Monday afternoon in the Sage Rink to win the Hamilton College intramural ice championship.

Leading 4-1 at the end of the second period, Sig breezed home to their third win in as many starts.

Sig scored first at 2:31 of the initial stanza when Bill Kaufmann tallied on a pass from Harry Bates. At 5.51 the loop champions counted again as Mass, with an assist from Kaufmann, beat Lambda Chi goalie Jim Thomas. The period's scoring was rounded out by LXA's Gus Knight who converted passes from Neale Mucklow and Dick Hogan at 6:20.

Hartshorne Scores

Nat Hartshorne opened the second stanza at 3:35 when he shoved a pass from Jack Barton into the nets. At 8:30 Mass scored his second goal, assisted by Gordie Burton and Kaufmann.

The game's most spectacular play came at 3:01 of the final period when Johnny Mayes grabbed a loose puck behind his

Paul Smith's Meet Finds Skiers 4th

The Hamilton ski team closed its season last weekend by placing fourth in the six-team Paul Smith's Invitation meet. The home outfit, holding the meet on its new Jenkins Mountain development, piled up 373.3 points to take top honors in the four event contest.

The Army sent its club up to Paul Smith's a day early to reconnoiter the landscape of the downhill trail, and came in second with 344.3. Hamilton chalked up 330.5 points, to end right behind Cornell's 339.5. Clarkson wound up fifth, with 310.5 points, and the Canton Aggies finished last with 241.5.

A fall in the downhill event put Dave Dickinson on the shelf for the rest of the meet, and forced Howie Quinby to substitute at the last minute in the cross country and jumping. Although he had never participated in either of the two events, Quinby placed well in both. He also led the Continental skiers in the downhill, with a fourth, in the 24-man event.

Maider picked up a second place medal in the slalom, Hamilton's best event, while Quinby and Potter showed in the first ten, for a Blue second behind Paul Smith's. Maider was eighth in the jumping, to lead Chuck Miller and Quinby.

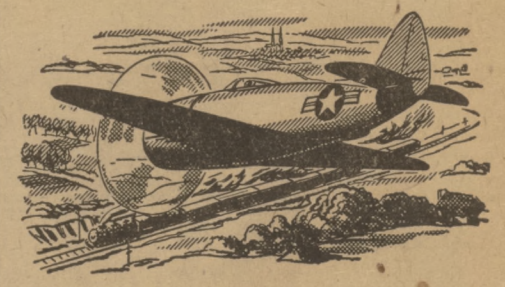
Major Roy Carlson, U. of Iowa, Training Executive, U.S. Air Force!

Born in Red Oak, Iowa, Roy graduated from Thomas Jefferson High School at Council Bluffs. He was ready to enter the University when war changed his mind.

He went to work at Consolidated Vultee in San Diego, building PBY's and B-24's. But it wasn't long until he had put in his application for Aviation Cadet training.



Cadet Carlson won his wings in April, 1943, was assigned to P-47 "Thunderbolts" with the 368th Fighter Group in England, to break ground for the Normandy invasion.

Roy completed 125 combat missions, leading many of them, supporting the invasion and the advances on into Germany. Won Air Medal, D.F.C., many other decorations. Promoted to Captain, then to Major.

Back home, he married the lovely Army nurse from Lowell, Massachusetts, whom he had met at Cannes, France. After the honeymoon, he returned to finish his studies at the University of Iowa.

Major Carlson is now Chief of Operations, 2471st Air Force Reserve Training Center, at O'Hare International Airport, near Chicago. Has two husky sons, a fine job, a great career still ahead of him!

If you are single, between the ages of 20 and 26½, with at least two years of college, consider the many career opportunities as a pilot or navigator in the U. S. Air Force. Procurement Teams are visiting many colleges and universities to explain these career opportunities. Watch for them. You may also get full details at your nearest Air Force Base or U. S. Army and U. S. Air Force Recruiting Station, or by writing to the Chief of Staff, U. S. Air Force, Att: Aviation Cadet Branch, Washington 25, D. C.
